**Original Complaint Against the S.E.C. for Violating the R.I.C.O. Act Against the  
Patrick Jevon Johnson Ecclesiastical Estate**

Petitioner Patrick-Jevon: Johnson, general executor and beneficiary of the Patrick  
Jevon Johnson Ecclesiastical Estate, operating in peace with honor by right of benefit of

discussion without discretion, as Creditor, Underwriter, Drawer, Originator, First Funds Transferor, Lien Creditor, Postmaster, Exonerator, Private Substance Bank, Executor, Administrator, Authorized Representative, Signatory, and Full-vested Superior Lien Holder Beyond Sea regarding this instant matter, and Authorized Representative and Signatory for PATRICK JEVON JOHNSON, Principal; and any and all parent, subsidiary, and affiliated persons and entities (collectively, or in any individual case, the "Grantor"), (collectively, the "Parties") say in good faith and to the best of my ability with honor that I and my estate have been injured and assaulted by the Respondents. The injury is caused by the Respondents when they violated the R.I.C.O. Act in an effort to extort funds and damage my reputation without cause. The R.I.C.O. Act was violated by the SEC filing a complaint against me and my estate without having a claim or allegations regarding damages. And by their own admission said they did this to extort funds disguised as civil penalties. Also see Department of Justice report #79628-CDT. Remedy is required.

### ADVOCATE

Arguing this matter is Ritchie, Mark Irvin power of attorney for the Patrick Jevon Johnson Ecclesiastical Estate. Ritchie, Mark Irvin, a concerned American of Moor and Hebrew lineage, takes this matter on because of the criminal, economic and civil danger this issue presents to the public, aboriginal men and women misnomered blacks, colored, African Americans and Negroes and the danger it presents to him personally.

Ritchie, Mark Irvin's interest in this matter is piqued by many things including the number of aboriginal (so-called blacks) owned businesses that are currently publicly trading on national exchanges. Of the 6,000 trading on the New York Stock Exchange and NASDAQ, less than 1%, are majority aboriginal ([b]lack) owned and operated.

Furthermore, while assisting Patrick Jevon Johnson with this matter, Ritchie witnessed the S.E.C. and its agents commit crimes, including using local rules to abrogate federally protected rights and deny equal access to justice. Ritchie is not a B.A.R. Attorney nor does he aspire to be one. The B.A.R. is not required to secure justice nor is

1 the B.A.R. the republic form of government and therefore cannot be used to block our  
2 access to justice.

### 3 ISSUE

4 Did the SECURITIES EXCHANGE COMMISSION, OTC and its' agents (SEC)  
5 violate the R.I.C.O. Act by acting against the ecclesiastical estate of Patrick Jevon  
6 Johnson? Yes

### 8 RULE

9 Racketeering: "racketeering activity" means (A) any act or threat involving,  
10 extortion; (B) any act which is indictable under any of the following provisions of title 18,  
11 United States Code: sections 891–894 (relating to extortionate credit transactions), section  
12 1028 (relating to fraud and related activity in connection with identification documents),  
13 section 1503 (relating to obstruction of justice), sections 1581–1592 (relating to peonage,  
14 slavery, and trafficking in persons), section 1951 (relating to interference with commerce,  
15 robbery, or extortion) and section 2319 (relating to criminal infringement of a copyright).

### 16 FACTS

17 The Respondents trespassed the Patrick Jevon Johnson Ecclesiastical Estate by  
18 impersonating an agency of the republic form of government. Several R.I.C.O. Act  
19 violations occurred despite many warnings and the Respondents acted under color law  
20 without filing a valid cause of action.

21 The R.I.C.O. Act violations occurred began with the halt of the securities (OTC:  
22 CHIT, OTC: PDXP, and OTC: VICT) in February of 2018 when the SEC used a myriad  
23 of Federal crimes to coerce the ceding of rights under color of law, intimidation and  
24 duress including a lifetime ban from participating in the securities industry as an officer  
25 and director, so that funds would be fraudulently stolen and commerce would be  
26 prohibited into perpetuity, pursuant to the SEC's demands for relief. The SEC sought to  
27 accomplish this by filing a frivolous complaint against me and my estate in the UNITED  
28 STATES DISTRICT COURT, CENTRAL DISTRICT OF CALIFORNIA, WESTERN  
DIVISION, and to further prohibit commerce by colluding with OTC Markets Group Inc.

Compliance Analyst Nancy Rodriguez. OTC Markets Group Inc., previously known as **Pink Sheets**, is an American financial market providing price and liquidity information for almost 11,500 over-the-counter (OTC) securities. Due to the SEC Enforcement Action against me and my estate, OTC Markets Group, Inc. downgraded three companies to an illiquid market tier where its securities are restricted from public viewing and unable to be bought via retail investors. This private market only serves broker-dealer pricing and best execution needs in securities that are restricted from public quoting or trading. This downgrade damaged the share value of these companies and the shareholders of these securities exponentially, even while two of the three companies were current in their reporting obligations. In late 2019 my resignation was forced from a fourth company, (iBrands Corporation OTC: IBRC) and it was also subsequently downgraded to the same illiquid market tier where the securities are restricted from public view. There are email communications between myself and OTC Markets Group Inc. Compliance Analyst Nancy Rodriguez stating that her employer, OTC Markets Group Inc. refused to do business with iBrands Corporation if I continued to be affiliated with the company due to the SEC's Subpoena Enforcement Action. I submitted my resignation December of 2019 from iBrands Corporation under protest in order for the company to proceed with its business and to file its current reports. When the filing fees were paid and reports were posted, the company was still not upgraded to current status and our fees were absconded.

**e. Patrick Johnson claims against the SEC**

***Deprivation of Rights Under Color of Law.*** General Executor Patrick Jevon Johnson alleges that the SECURITIES AND EXCHANGE COMMISSION, U.S. SECURITIES AND EXCHANGE COMMISSION, OTC MARKETS GROUP, Nancy Rodriguez, Michael Raymond Sew Hoy, Roberto A. Tercero and Manuel Vazquez, (collectively SEC) being part of the federal corporation and not the Republic form of government have and are violating my constitutionally protected rights under color of law pursuant to 18 U.S.C. § 241, 18 U.S.C. § 242, 18 U.S.C. § 245, 18 U.S.C. § 1001 and 42 U.S.C. § 1983.

***R.I.C.O. Act Violations.*** General Executor Patrick Jevon Johnson further alleges that the SEC by its own admission are in specific violation of the R.I.C.O. Act:

- Sew Hoy admitted on document See Case 2:20-cv-08985-ODW-DFM Document 60-1 Filed 03/02/21 Page 1 of 21 Page ID #:466 Page 10 lines 10 and 11 that we

1 have no claim nor allegations regarding damages, Rather we seek civil  
2 penalties.

- 3 • The SEC attorneys have violated 21 federal statutes and ecclesiastical laws in their  
4 effort to extort funds from the Patrick Jevon Johnson Ecclesiastical Estate, they are

7 my ecclesiastical estate and the people of the united States of America (major),
- 8 2. Foreign Agent Registration Act of 1938, they are heavily influenced by the  
9 private benefits and privileges of the B.A.R. which is not the republic form of

- 9 • The SEC also used local practice to block my access to justice, [s]ilenced my filings,

- 11 • The SEC used their deceptive platform to constructively steal and expropriate  
 12 through dubious legal attempts and jurisdiction over the person does not apply  
 13 relative to an aboriginal, copper colored American.

14 **f. Brief description of events underlying the action**

15 The agents of the SEC noticed companies controlled by copper colored  
 16 (misabeled: blacks, coloreds, African Americans and Negroes) men engaging in the  
 17 Securities Markets and took actions described by the R.I.C.O., 18 USC 96, Public  
 18 Law: 91-452 (1970), to interfere with commerce and us. Of the 6,000 companies listed on  
 19 the New York Stock Exchange or NASDAQ, fewer than 1%, are black owned and  
 20 operated.

21 Prior to the halting of each of the companies trading, these Americans were  
 22 engaging in commerce to facilitate capitalization actions for the companies in order to  
 23 meet qualifications for uplisting them to national exchanges. The SEC agents continued  
 24 their prejudiced practices and interfered significantly to restrict commerce, in direct  
 25 collusion with OTC Markets Group, Inc and Compliance Analyst Nancy Rodriguez.

26 ***R.I.C.O. Act violations***

27 The SEC engaged in acts and threats involving robbery, extortion, mail fraud,  
 28 obstruction of justice (using local practice) and the attempt to collect an unlawful debt.

*How R.I.C.O. Act violations occurred.*

The SEC violated 17 CFR § 240.10b-5, using false and misleading statements as well as presumptions of authority and power to force the Patrick Jevon Johnson Ecclesiastical Estate to comply with colorable laws and extort funds disguised as civil penalties. The SEC also presumes I see them as a part of the republic form of government and I do not, they are a corporation. The SEC is attempting to inflict perpetual restrictions and steal funds based on colorable law. At what point does the corporation and its agents, who are lying about who they are, and impersonating the republic form of government have any authority whatsoever to say anything without a valid contract? Never. At what point does a lie about the government become the truth? Never!

The SEC is attempting to extort funds by asserting an inferior claim based on colorable laws, which is prohibited by FRCP 12(b)6 which forbids the granting of relief when the plaintiff fails to state a claim upon which relief can be granted.

The SEC violated 18 USC 2331 § (5)(B)(i) and (5)(C), by using tactics of domestic terrorism and intimidation of civilians to extort funds and restrict commerce.

The SEC performed defamation of character, slander and libel, which is forbidden under 28 USC § 4101 (1). There are “no claims nor allegations regarding damages”, according to SEC Attorney Michael Raymond Sew Hoy, no crime has been committed.

28 USC 3002 § 15a, says “the UNITED STATES is a federal corporation” which means it is not the republic form of government. They can lawfully only interact with my estate via valid contracts that are knowingly, willing and voluntarily entered to with full disclosure, the SEC has no such contract.

28 USC 3002 §§ 15b, The SEC is an entity created by the UNITED STATES federal corporation and therefore must produce a valid contract or must satisfy our prayer for relief herein expressed.

1 18 USC § 1951(a) prohibits interference with commerce using threats on person  
2 and property, which the SEC continued to do even after being advised of their criminal  
3 actions by our filings.

4 18 USC 1503, prohibits Obstruction of due administration of justice, which the  
5 SEC committed using local practice.

6 67 CJS, Officers § 144, p.402 requires officers of the court to be impervious to  
7 corrupting influences, which the SEC violated on several counts. Also see Canon 2(A).

8 The SEC throughout the proceedings violated 257 USC 419 which prohibits the  
9 defeat of federally protected rights using local rules, i.e., CALIFORNIA LOCAL RULES  
10 OF CIVIL PROCEDURE.

11 The SEC is in violation of 42 USC 1983, subjugation under color of law.

12 The SEC is in strict violation of the Clean Hands Doctrine, Psalms 24:3-4, "Who  
13 may ascend to the hill of the LORD? Who may stand in His holy place? He who has  
14 clean hands and a pure heart, who does not lift up his soul to an idol or swear  
15 deceitfully." The B.A.R. oath is a deceitful, secret oath which has attorneys employing  
16 deceit to trespass the ecclesiastical estates of American people.

17 The SEC is in violation of 18 USC 1951 as they are attempting to seize personal  
18 property under color of law using threats and impersonating the Republic form of  
19 government as a de jure regulator. By their own admission they are attempting to steal  
20 funds from the Patrick Jevon Johnson Ecclesiastical Estate using false and misleading  
21 information. Specifically, they are not the republic form of government, rather they are a  
22 corporation, see Clearfield Trust Company vs Ohio and 28 USC 3002 §§ 15a.

23 The SEC is in violation of ecclesiastical law. Exodus 20:15 Thou shalt not steal,  
24 the SEC attempted to steal funds disguised as civil penalties without an injured party.

25 The SEC's ecclesiastical violations continue with actions counter to Exodus 20:16  
26 & Deuteronomy 5:20 Thou shalt not bear false witness. This is defamation of  
27 character. The SEC has asserted on the Internet and in the filings that aspects of the  
28 Patrick Jevon Johnson Ecclesiastical Estate are not honorable. Meanwhile the SEC is

1 concealing the facts about not being the Republic form of government. The SEC is a  
 2 corporation with lawyers who are significantly influenced by the B.A.R. which is foreign  
 3 to the Republic form of government yet controls nearly all lawyers in north America,  
 4 preventing equal access to justice and inhibiting equal protections under law pursuant to  
 5 the 14<sup>th</sup> Amendment of the Constitution of the United States of America.

6 The SEC also used local practice to block my access to justice, [s]ilenced my  
 7 filings, and violated my constitutionally protected rights. The SEC used the  
 8 CALIFORNIA LOCAL RULES OF CIVIL PROCEDURE to prevent the alleged  
 9 [D]EFENDANTS from due process of law. They attempted to accomplish this by  
 10 [s]triking multiple filings, thereby trespassing my constitutionally protected right to be  
 11 heard in this matter.

#### 12 *How Color of Law Violations Apply and Occurred*

13 The SEC is a commission created by the UNITED STATES federal corporation, 28  
 14 USC 3002 §§ 15a and specifically not the republic form of government, 28 USC 3002 §§  
 15 15b. The SEC, operating under color of law, presumed authority and the general  
 16 perception of government backed power defamed the character of Patrick Jevon Johnson  
 17 with the result of interfering with commerce and the attempt to extort funds disguised as  
 18 civil penalties. After several years of tort actions against my estate, the SEC finally  
 19 admitted that they had no claims nor allegations regarding damages (see Rule 12 (b) 6,  
 20 failure to state a claim upon which relief can be granted). The SEC expressed their  
 21 intention to extort funds by admitting, "Rather we seek civil penalties."

22 *Color of Law Violations.* Here, 18 USC 241 prohibits the conspiracy to deprive  
 23 constitutionally protected rights under color of law. The SEC colluded with Nancy  
 24 Rodriguez, Compliance Analyst at OTC markets, Kiry K. Gray and the U. S.  
 25 SECURITIES AND EXCHANGE COMMISSION to interfere with commerce and  
 26 defame the reputation of the estate of Patrick Johnson and stop commerce. I allege that  
 27 the SEC attorneys or agents initiated contact via private BAR membership channels to  
 28 exert corrupting influences on Judge Otis D. Wright, II to sway unfair judgments from the

1 court. This also constitutes the perpetration of a fraud upon the court. The court and the  
 2 clerk of court have also ignored numerous Form COL's filed in this case without  
 3 explanation.

4 18 USC 242 prohibits the act of depriving constitutionally protected rights under  
 5 color of law based on ethnicity. The SEC used their deceptive actions to constructively  
 6 steal and expropriate, through dubious legal attempts, jurisdiction over the person, which  
 7 does not apply relative to any living man nor his estates.

8 18 USC 245 prohibits the use of intimidation to interfere with commerce or the free  
 9 enjoyment of lawful life, liberty and the pursuit of happiness. These are constitutionally  
 10 protected rights.

11 18 USC 1001 prohibits the act of knowingly and willfully concealed truth using  
 12 deceitful writings. The SEC has no constitutional authority to engage in their behaviors  
 13 without valid contracts, which they don't have. They are also perpetrating a fraud by  
 14 pretending to be part of the republic form of government, when they are actually only a  
 15 mere corporation, see Clearfield Trust Co. v. United States, 318 U.S. 363 (U.S. 1943).

16 42 USC 1983 prohibits the SEC from creating a liability and injury. Their actions  
 17 have caused liabilities and significant pain and suffering. The SEC by their own  
 18 admission conducted this fraud to extort funds disguised as civil penalties.

19 **g. Description of relief sought and damages claimed, with computation**

20 The Patrick Jevon of the house of Johnson seeks the following peaceful, equitable  
 21 relief:

- 22 • The SEC and OTC Markets Group Inc., via their halting of the trading of  
 23 securities and the subsequent restricting of commerce, have created  
 24 billions of dollars in liabilities, loss of business opportunities, business  
 25 revenues, and committed financings for each individual company, loss of  
 26 investment values for over three thousand (3,000 affected) shareholders,  
 27 and personal pain and suffering, all of which must be remediated.  
 28

- 1       • The SEC and OTC Markets Group Inc. must be ordered to remove all

18      Deuteronomy 5:20 and the R.I.C.O. Act, (2) The court is asked to require

19      the SEC to publicly retract all derogatory statements about Patrick Jevon

20      Johnson, PDX Partners Inc. (OTC: PDXP), Cherubim Interests Inc. (OTC:

21      CHIT), Victura Construction Group Inc. (OTC: VICT).
- 22      • Johnson seeks (1) a permanent injunction prohibiting OTC Markets Group

23      Inc. from future violations of the following: FRCP 12(b)6, 17 CFR §

24      240.10b-5, 18 USC 241, 18 USC 242, 18 USC 245, 18 USC 1001, 42 USC

25      1983, 18 USC 2331 § (5)(B)(i) and (5)(C), 28 USC § 4101 (1), 28 USC

26      3002 § 15a, 28 USC 3002 § 15b, 18 USC 1503, 18 USC § 1951(a), 257

27      USC 419, 67 CJS, Officers § 114, the FARA of 1938, Exodus 20:15,

28      Exodus 20:16, Deuteronomy 5:20 and the R.I.C.O. Act, (2) The court is

asked to order OTC Markets Group Inc. to issue a full retraction to Johnson and return the companies, PDX Partners Inc. (OTC: PDXP), Cherubim Interests Inc. (OTC: CHIT), Victura Construction Group Inc. (OTC: VICT) and iBrands Corporation (OTC: IBRC) to their original "Pink" Designations once each company has completed new applications, paid its fees, and are compliant with rule 15c211.

- Order the Respondents to satisfy the damages listed below for their multiple crimes, deceptions and harm caused by their colorable actions.
- Computations for the damages asked are as follows for losses and remedy:

Four years of losses	\$210,000,000
Ecclesiastical Remedy is 7 times per Proverbs 6:31	7
<b>TOTAL</b>	<b>\$1,470,000,000</b>

#### **h. Deliberate failure in discovery**

Discovery was never complete, the SEC has and continues to refuse to answer my filed interrogatories. Their refusal and failure to answer is hidden behind the CALIFORNIA LOCAL RULES OF CIVIL PROCEDURE. This is using local practice to violate federally protected rights, i.e., due process of law. The interrogatories will be used during discovery for this case, the court is beseeched to mandate compliance.

#### **i. Procedural history of case, including decided or submitted motions, ADR proceedings, settlement conferences (scheduled or concluded), appellate proceedings (pending or concluded), and any previous referral to a magistrate judge**

*Motions from the previous case.* The court has already defaulted Patrick Jevon Johnson with no determined or justified civil penalties because the SEC's demands are "unsubstantiated" pursuant to Judge Otis D. Wright, II. My motion for Set Aside has been dishonorably rejected based on local rules of civil procedure by the court like many of my other filings. There is still no injured party nor allegations regarding damages.

*A jury trial is demanded.*

Patrick Jevon Johnson now requests the court order to require the SEC to answer my interrogatories, remove all strikes to my timely filed answers or accept the settlement obligations for their infractions of law and commerce by 20 May 2022, 5:00 PM CST. The Court and the SEC have my claim demanding One Billion Four Hundred Seventy Million USD (\$1,470,000,000), see document "Case 2:20-cv-08985-ODW-DFM Document 77 Filed 05/30/21 Page 1 of 24 Page ID #:747." The \$1,470,000,000 demand is substantiated according to the filed claim and also expressed as follows:

Four years of losses	\$210,000,000
Ecclesiastical Remedy is 7 times per Proverbs 6:30-31	7
<b>TOTAL</b>	<b>\$1,470,000,000</b>

The sevenfold multiple is based on Proverbs 6:30-31.

*<sup>30</sup>Men do not despise a thief, if he steal to satisfy his soul when he is hungry, <sup>31</sup>But if he be found, he shall restore sevenfold; he shall give all the substance of his house.*

The SEC failed to answer my interrogatories by May 20, 2022, 5:00 PM PST thus consented to my demands as recompense for their 21 unrebutted crimes.

**I explicitly reserve all my rights in all situations into perpetuity without exception pursuant to UCC 28 §1-308, Public Law 28:1-207 (1963).**
